HE HIMSELF IS THE SACRIFICE THAT ATONES FOR OUR SINS—AND NOT ONLY OUR SINS BUT THE SINS OF ALL THE WORLD.

We have found a place to live in Minneapolis!

Thank you for all of your prayers. As we pack the final boxes, we are reminded of the wonderful privilege we have of inviting college students to know and follow Jesus.

God has called Cru to share the good news of the life, death, and resurrection of Jesus to the world so that everyone knows someone who follows Jesus. But as the demographics of the college campus continue to rapidly change, going to those who don't know Jesus means that, more and more, we will have to minister across cultural lines. How can we stay equipped to communicate the good news about Jesus effectively and with empathy to every college student?

God has called us to be a part of answering that question. The specific role we play in the mission of Cru is to equip every staff member with the tools and training they need to enter into the lives of college students from every culture with the good news of Jesus.

God uses Cru to meaningfully share Jesus with every person and community on campus. We work to provide every student an opportunity to know Jesus, grow in their relationship with God in the context of community, and share God's love with their friends, family, neighbors, and even the whole world.

We cannot wait to settle into our new home and continue in this work. Thank you for all of your prayers for our family and thank you for your partnership in ministry with us.
