

How, then, can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard? And how can they hear without someone preaching to them? And how can they preach unless they are sent? As it is written, "How beautiful are the feet of those who bring good news!"
Romans 10:14-15

BUILDING & REACHING

STORIES OF THE MINISTRY OF CALEB AND LAURA COOK WITH CRU

Going Places

After many goodbye's and farewell meals, our intern year at UW-Madison has now quickly come to a close. And what a year it has been! As we reflect on everything that God has done in Madison, we can't help but think of the picture on the right.

These are seventeen of the twenty-six men and women from Madison who will be spending at least one year as full time missionaries around the world with Cru. Below is part of Sarah's story. Sarah just graduated, and will be spending the next year of her life in East Asia.

17 of the 26 UW-Madison graduates committing at least 1 year to full-time ministry with Cru

"At the beginning of my freshman year, Cru staff and students introduced me to Jesus. Since then, I have experienced Biblical community, grown as a leader, and learned to share my faith. Cru has also given me a vision for the world, and helped me develop the same desire that Jesus has for people of all nations to know Him. If you had told me four years ago that I would spend a year as a full time missionary, I would have thought you were crazy. But next year, I will be in East Asia telling students about the same Jesus I came to know in college. I thank Jesus for revealing Himself to me, and for the pivotal role that Cru has played in my life"

What's incredible is that this is only one story of twenty-six. Many more students will be graduating and using their gifts, talents and passions in other ways all over the nation, and all over the world. People's lives at Madison have been transformed by the good news of Jesus' life, death and resurrection, and dozens of Christ-Centered laborers are going out from Madison.

We are so thankful for all of you, and we can't wait to share more stories of how God has been working in Madison. Thank you so much for you partnership in ministry with us.

In Christ,

Caleb and Laura Cook

Prayer Requests

On June 12th, we will be heading down to Cru's international headquarters in Orlando, FL for our five weeks of New Staff Training. Please be praying for us as we end our year here and make preparations for the future.

Please be praying for these twenty-six—that the Lord will provide for them and be preparing them for their year of ministry.
