NOVEMBER 15, 2018

This month, we took some time to think about all God has done this past year. What a year it has been! Here are just some of the highlights:

- We moved from Dallas, TX to our new home in Minneapolis, MN. God has been so good to us in so many ways during this transition. Beyond that, he is opening up several doors in our ministry of empowering and resourcing staff members to connect people to Christ.
- James turned three, and Abigail turned one! What a delight both of them are. It is a privilege and honor serving the Lord together as a young family of four.
- Caleb has coached an Intro to Mission courses, a Bible Study Methods course, two theology courses, and finished many of his own courses at Dallas Theological Seminary. Great progress has been made in training missionaries to apply God's Word not only in their own lives, but also in the lives of those to whom they minister.
- We have watched as God has brought students like José, Michael, and others into a relationship with himself. God is equipping these same students to follow Jesus for the rest of their lives.

As we look back on the year, we are overwhelmed by God's grace, kindness, and generosity. Furthermore, we are affirmed in God's call on our lives to be a part of reaching the world with the good news of Christ by helping college students hear about Jesus and follow him for the rest of their lives. God has worked through your partnership to raise up and send out people who will follow Jesus into the workplace or church leadership, on mission trips, or even into full-time Christian work.

Thank you for your partnership in ministry with us. We have had the privilege this year of entering into the lives of others in order to invite them to walk with God and take a closer look at Jesus. We thank God for all he has done through your prayers and financial support.

With love in Christ,

Caleb & Laura
