INSTRUCTIONS TO THEM:
“THE HARVEST IS GREAT,
BUT THE WORKERS ARE
FEW. SO PRAY TO THE
LORD WHO IS IN CHARGE
OF THE HARVEST; ASK
HIM TO SEND MORE
WORKERS INTO HIS
FIELDS.”

At Orientation Weekend (April 12th-14th), over 60 new missionaries were mobilized to serve as interns with Cru. Recent college graduates came to Minneapolis from over six different states! Andrew traveled from the University of Iowa, Lindsey came from Missouri State University, and Phillip came from the University of Wisconsin - Madison.

By the end of the weekend, these men and women were launched into their ministry of developing a team of prayer and financial ministry partners before they report to campuses literally around the world. Some are going back to the campuses they graduated from, while others will be joining teams in locations as far away as the Middle East or East Asia. Come August, they will all be working on existing campus ministry teams to introduce students to Jesus, help them grow in their relationship with God, and send them out to minister to others.

It was humbling to be a part of helping register, coach, train, and ultimately send this group of dynamic and gifted people. God has given each of them a passion to engage college students in meaningful conversations about God while also inspiring and equipping them to follow Jesus for the rest of their lives. These interns are an answer to many prayers because they will be the ones who will bring the gospel to the college students of the world. By God’s grace, their influence will go beyond what any of us can see.

Part of our role in ministry right now is empowering and equipping others to reach students for Christ. At Orientation Weekend we got to see this happening through these 60 missionary interns. Thank you for you partnership in this ministry with us.

In Christ,

Caleb + Laura
